NEW BOOK A ROAD MAP TO A DIFFERENT FUTURE A True Story of Heartbreak and Forgiveness

"Youth, like pristine glass, absorbs the prints of its handlers. Some parents smudge, others crack, a few shatter childhoods completely into jagged little pieces, beyond repair." ~ Mitch Albom

(Nashville, TN) – When she was fourteen years old, Michelle Moore's life was shattered. Her mother changed her identity and disappeared from her life. No phone calls. No letters. She was just gone. Michelle's parents were divorced, so naturally she turned to her father, but he didn't want her either. He told her he had a new family now. Michelle had been abandoned.

***Abandonment to Forgiveness*, (Rose Publishing 978-1596366251, September 3, 2013)** takes readers on a remarkable journey as Michelle grows from an unwanted teenager filled with guilt and shame, to a strong, confident woman determined to reach deep into her own broken heart and find forgiveness. "When my parents rejected me I thought, how awful must I be? Nobody wants me. Nobody's ever going to want me," Moore said. "But when I let it go, I mean *really* let it go, that's when I found freedom."

Abandonment to Forgiveness is a critical piece in the *Freedom Series*, a twelve mini-book collection written specifically for women who can relate to some form of abandonment, no matter how severe.

Michelle's story offers hope in the midst of rejection and the deep-rooted pain that comes with it—pain many women carry for a lifetime. There is truly a way to be whole again. And within the pages of this remarkable book, there is healing.
